

TALENTERIA

AI Recruitment Copilot

PARTNER PROGRAM

Program Overview

Welcome to the Talenteria Partner Program, an initiative designed to foster collaborative success in the rapidly evolving world of AI technology in talent acquisition.

BENEFITS

Expanded Service Offerings

Enhance your portfolio with AI-powered recruitment solutions.

Increased Revenue Opportunities

Leverage our competitive commission structure and sell your services.

Training and Technical Support

Gain expertise in Talenteria products through our comprehensive training programs.

Marketing and Sales Support

Access co-branded marketing materials and sales resources.

PRODUCT OVERVIEW

AI Recruitment Copilot and Candidate Experience Platform

AI Resume Screening

The intelligent scoring system will parse and rank resumes for you, removing bias and uncovering top talent efficiently.

AI Video Interviews

Streamline the interview process, remove bias, and hire the best candidates faster with AI Video Interviews

Recruitment Chatbot

Our AI-powered recruitment chatbot will support and engage candidates 24/7 saving your valuable time.

AI Sourcing and Matching

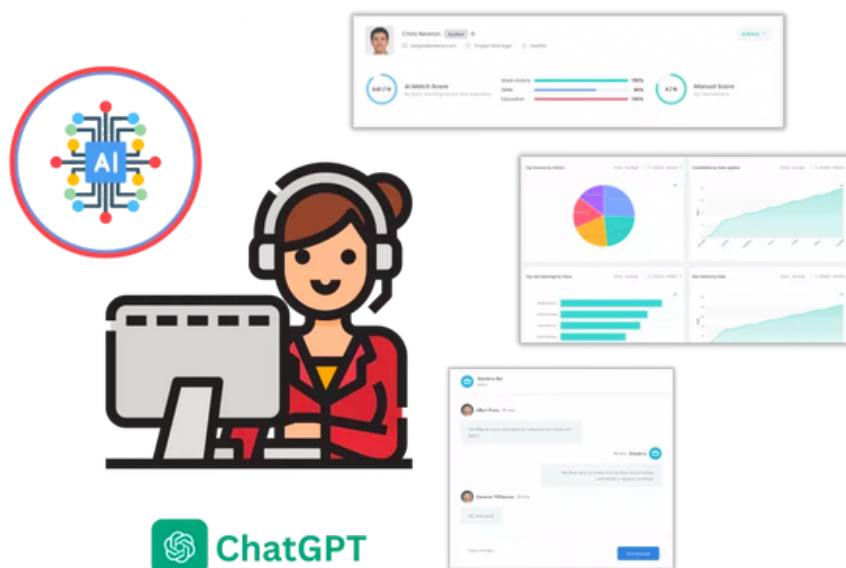

Supercharge your talent acquisition with our AI-driven candidate matching and sourcing, enabling you to utilize your talent pools and discover the perfect candidates faster.

AI Content Generation

Talenteria AI will create engaging job descriptions, personalized outreach messages, career pages and interview questions.

Career Sites

Our Career Sites and Candidate Portal will make a great first impression and help hire faster with an outstanding candidate experience
